COMING  
UP

### Youth Graduation

On Friday June 11th we have a chance to celebrate our graduating youth with a special banquet and reception at Parliament Community Church. Parents and siblings of Graduating youth as well as the College and Career are invited to join in this special meal. Grade 11 parents will be preparing the banquet. Our guest speaker will be Dr. Tim Ehman from Saskatoon.

## Youth Summer events

July + August 2010

### Parents:

It is our goal to have numerous combined (junior and senior) youth events throughout the summer that our youth can participate in. We will again be going to the Kennosee Lake Watersides near the end of August.

We would like to invite you the parents of youth to host a games night, movie night, campfire, BBQ, beach afternoon or anything else you can think that would be fun for PCC youth. Our goal is to have 4 of these special events throughout the summer.

Please check your summer schedules and let me know asap if you would be willing to host one of these events.

Thank you for considering,

Pastor Nathan

# WEEKLY PROGRAM

## Bible Studies

Our focus for the month of June continues to be on Hot Topics. These topics come from the youth and parents. We will dig into the scriptures and study what they say about everyday issues we are dealing with in our lives.
